

2024 8th International Conference on Material Engineering and Manufacturing

ICMEM 2024

Kwansei Gakuin University, Osaka, Japan

March 22-25, 2024

ICMEM 2024 is co-sponsored by Kwansei Gakuin University, Japan and Chiba University, Japan. The main aims to bring together leading academic scientists, researchers and research scholars to exchange and share their experiences and research results on all aspects of Materials Engineering and Manufacturing.

Topics:

- Composites
- Nanomaterials
- Surface Modification Technologies
- Materials Characterization
- Manufacturing Engineering
- Manufacturing System and Simulation
- Manufacturing Processes and Technology
- Cellular Manufacturing
